

Features and Benefits

Simple to Use Interface

The intuitive touchscreen interface of the OneTouch Suite cuts down training hours and reduces user error. Quick menus and customer look-up allow you to handle transactions quickly and efficiently.

Securely Process Payments

The OneTouch Suite is PCI Compliant and PA-DSS certified, allowing you to securely accept payments from all major credit and debit cards. Supports private card, fleet, loyalty, and gift cards.

Fuel Control Terminal

Comes included with the OneTouch Suite or sold separately. When used with the Navigator Site Controller, have touchscreen control of up to 32 dispensers from the till. Color coded to easily distinguish each dispenser's status.

No CRINDs? No Problem!

With the Sentinel Island Card Reader accept payments from all major credit and debit cards at the pump without upgrading your dispensers. Supports private card, fleet, loyalty, and gift cards too.

One ICR controls up to 32 pumps at once. A great option for unattended fueling sites!

The success of our customers is our bottom line. With our performance-proven products and services, we can fortify the foundation of your business.
