

Scanner Solution to Fit Any Situation

Whether you're looking to speed up inventory counts or replace old scanner hardware, Red River Software has you covered.

Features and Benefits

Use Existing Devices as a Scanner

Need to quickly increase the number of scanners you have on hand? Just download the CSMFlex app to your existing Android or Windows devices!

Speed Up Inventory Counts

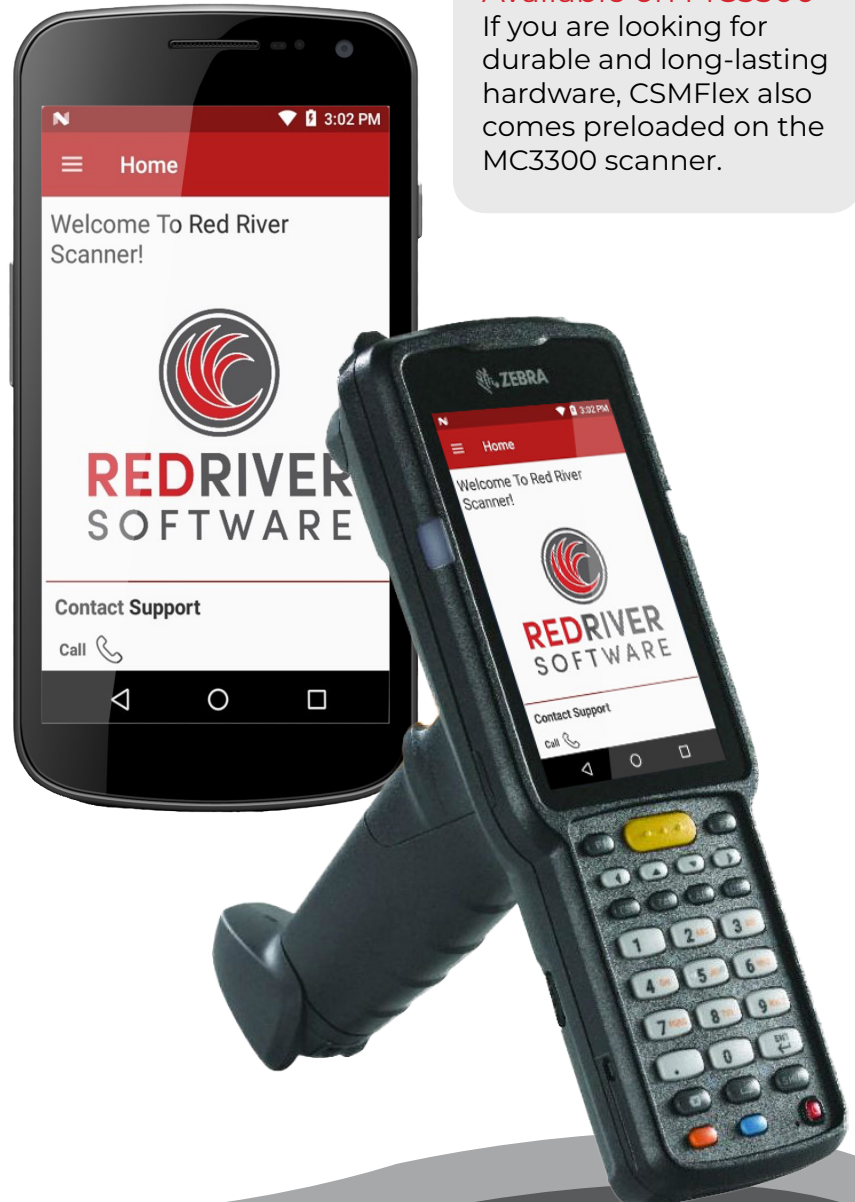

Quickly and easily equip your whole team with scanners for when you have large orders or are doing End of Year counts.

Works Seamlessly with CSMinder

Accurately manage inventory and update Pricebook through the Scanner Import / Export module.

Solutions Designed for Convenience Stores

The success of our customers is our bottom line. With our performance-proven products and services, we can fortify the foundation of your business.

Available on MC3300
If you are looking for durable and long-lasting hardware, CSMFlex also comes preloaded on the MC3300 scanner.

Requirements:

- Works on Android Mobile Devices Version 7.0 and above,
- Works on Windows 10 Mobile Devices version 1803 or higher.
- Scanner Import / Export Module required to transfer data to CSMinder.

REMOTE SUPPORT, DIAGNOSTICS, AND UPDATES INCLUDED
